Don't get caught out this winter -
Here's some useful information about NHS services over the holiday period.

Repeat prescriptions

With GP surgeries closed on bank holidays, one of the most important things you can do if you are on regular medication is to get your repeat prescription organised now. Planning ahead means you will not have to worry about trying to get your medicines over the bank holiday if you run out.

Contact your GP Surgery now to make sure you are prepared.

Self Care

Ensure your first aid kit is well stocked with:
Paracetamol • Anti-diarrhoeal medicine
Rehydration mixture • Indigestion remedy
Plasters and thermometer
